Chairman Message

Dr. Manjeet Jain

Founder & Chairman Of Indigo Global School Rajkot

Our vision is to transform students from all backgrounds into educated men, and inspire them to be just and ethical citizens who will be wise & principled leaders to serve a meritocratic India.

We look outwards and see what we can learn from others in the field of education and training and we invite others to share and participate in what we do.

In terms of teaching innovations, we are focusing on two things: doing the basics well and creating teaching and learning spaces that meet the needs of our curriculum.

By moving away from the rote learning and memory – based model of the past, we are allowing our students to develop skills and values THE INDIGO GLOBAL SCHOOL curriculum includes sports, service, clubs, activities, ethics, and celebrations. music, adventure, and experiential learning.

The encouragement is cultural and structural in that it is something that every student does as part of their work here. Our weekly schedule allows students to balance their academic class time with time to reflect, be active, and contribute to the school and the wider community

Dr. Manjeet Jain

Founder & Chairman Of Indigo Global School Rajkot

Breathe Easy, Learn Deeply: 2 Acre Green Haven

Imagine a vibrant learning sanctuary: Indigo Global School's sprawling 2-acre campus offers:

- **Green Oasis:** Immerse yourself in a safe and secure environment, surrounded by lush greenery that promotes well-being and a connection with nature.
- **Fresh Air & Focus:** Ample space fosters a healthy learning environment, free from distractions, allowing students to concentrate and thrive.
- **Room to Explore:** The expansive campus provides opportunities for outdoor activities, fostering teamwork, creativity, and a love for learning beyond the classroom.

Empower & Discover: Project-Based, Research-Driven Learning

At Indigo Global School, we ignite curiosity and cultivate critical thinkers through:

- **Project-Based Learning:** Go beyond textbooks! Tackle real-world problems through collaborative projects, fostering innovation, problem-solving, and teamwork.
- **Research-Driven Inquiry:** Dive deep into topics that pique your interest. Develop research skills, critical thinking, and a thirst for knowledge.

This approach empowers students to become independent learners who can:

- **Apply Knowledge:** Bridge the gap between theory and practice, solidifying understanding and preparing for future success.
- **Own Their Learning:** Develop a passion for exploration and a lifelong love for discovery.

Well-equipped Science laboratory

Indigo Global School can attract students with a state-of-the-art science lab that fosters:

Hands-on Learning: Go beyond textbooks! Students experiment, solidifying concepts and igniting curiosity.

Science Stars: Advanced equipment allows for in-depth exploration, fueling a passion for science in future doctors, engineers, and innovators.

A Competitive Edge: A well-equipped lab showcases Indigo's commitment to exceptional science education, attracting students seeking a strong foundation for future success.

Library

Indigo Global School can empower students with a dynamic library boasting 1500+ books:

- **World of Discovery:** Dive into a vast collection, igniting imaginations and fostering a love for reading across all interests.
- **Academic Advantage:** Access to diverse resources fuels research skills and supports academic success in every subject.
- **Lifelong Learners:** A vibrant library environment cultivates a love for learning that extends far beyond the classroom.

Social Science Laboratory

Indigo Global School can elevate learning with a dedicated Social Science & Technology (SST) lab:

- **Interactive Exploration:** Step beyond textbooks. Experience history, geography, and social studies through simulations, interactive tools, and captivating resources.
- **21st Century Skills:** Develop critical thinking, research, and communication skills through collaborative activities and real-world scenarios.
- **Globally Minded Citizens:** Explore diverse cultures and perspectives, fostering empathy and understanding in a connected world.

Mathematics Laboratory

Indigo Global School can empower young minds with a dynamic Mathematics Lab:

- **Hands-on Learning:** Move beyond equations! Explore mathematical concepts through manipulatives, puzzles, and engaging activities, solidifying understanding and building confidence.
- **Visualize & Conquer:** Utilize technology and interactive tools to visualize abstract concepts, making maths engaging and accessible to all learners.
- **Future Problem-Solvers:** Develop critical thinking and problem-solving skills through collaborative projects and real-world applications of mathematics.

Computer Laboratory with Internet

Indigo Global School can propel students into the digital age with a cutting-edge computer lab:

- **Tech-Savvy Skills:** Master coding, design, and digital literacy in a state-of-the-art environment, preparing students for future careers.
- **Empowering Innovation:** Foster creativity and problem-solving through collaborative projects and access to the latest technology.
- **Lifelong Learners:** Equip students with the digital fluency needed to thrive in a technology-driven world.

Explore Your Passions: Vibrant CCA Program

Indigo Global School unlocks a world of possibilities beyond academics with a dynamic Co-Curricular Activities (CCA) program:

- **Discover Your Spark:** Explore diverse clubs and activities, fostering creativity, leadership, teamwork, and a sense of belonging.
- **Sharpen Your Skills:** Develop valuable skills like communication, problem-solving, and time management through engaging activities.
- **Build Lasting Connections:** Connect with like-minded peers, fostering friendships and a supportive school community.

Unleash Creativity: Captivating Dance Program

Move and express yourself at Indigo Global School with our captivating dance program:

- **Graceful Expression:** Explore different dance styles, fostering creativity, body awareness, and a love for artistic movement.
- **Confidence & Teamwork:** Build self-confidence, discipline, and teamwork through collaborative routines and performances.
- **Lifelong Passion:** Ignite a lifelong love for movement and self-expression, enriching both physical and mental well-being.

Find Your Rhythm: Enchanting Music Class

Harmonize your potential at Indigo Global School with our enchanting music class:

- **Musical Exploration:** Discover your voice (or instrument!) and explore different musical styles, fostering creativity and a love for music.
- **Ensemble Excellence:** Develop teamwork, communication, and discipline through collaborative performances and rehearsals.
- **Lifelong Appreciation:** Cultivate a lifelong appreciation for music, enriching both cognitive and emotional well-being.

Guiding Stars: Experts

Indigo Global School empowers its students with a team of:

- **Passionate Educators:** Experienced and qualified staff who ignite a love for learning with engaging instruction and personalized support.
- **Subject Matter Experts:** Deep knowledge and expertise ensure students receive a comprehensive and rigorous education.
- **Mentorship & Guidance:** Dedicated staff fosters a positive learning environment and empowers students to reach their full potential.

Play Smart, Learn Strong: Indoor Sports Advantage

Fuel both body and mind at Indigo Global School with our dedicated indoor sports facilities:

- **Active Minds, Healthy Bodies:** Unwind and recharge with activities like Table Tennis, Yoga, Chess, and Carrom, promoting physical fitness and mental focus.
- **Develop Life Skills:** Learn strategic thinking, teamwork, and sportsmanship through engaging games, fostering well-rounded individuals.
- **Balance is Key:** Dedicated time for physical activity complements academics, boosting concentration and promoting a healthy learning environment.

Play & Thrive: Unleash Potential with Outdoor Games

At Indigo Global School, learning extends beyond the classroom walls:

- **Healthy Bodies, Happy Minds:** Engage in a variety of outdoor games, promoting physical activity, social interaction, and a love for being outdoors.
- **Building Teamwork:** Develop communication, collaboration, and sportsmanship skills through friendly competition in games like tag, basketball, or frisbee.
- **Stress Relief & Focus:** Enjoy the fresh air and energizing activities, promoting relaxation and refocusing for a productive learning environment.

Level Up Learning: Smart Class Advantage

Indigo Global School unlocks a world of possibilities with our cutting-edge smart classrooms:

- **Interactive Engagement:** Lessons come alive with digital tools, captivating students and fostering deeper understanding of complex concepts.
- **Personalized Learning:** Tailored instruction caters to individual learning styles, maximizing student potential and fostering a love for learning.
- **Future-Ready Skills:** Develop digital literacy and collaboration skills through interactive activities, preparing students for success in a technology-driven world.

Playground

- This outdoor play area provides a space for students to relax, socialize, and engage in physical activity during recess or breaks.

CCTV surveillance

This security system uses cameras to monitor activity in the school, which can help to deter crime and ensure the safety of students and staff.

Secure environment

The school takes measures to create a safe and secure learning environment for students. This may include security fencing, controlled access to the building, and supervision by adults.

Drinking water

The school provides access to clean drinking water for students throughout the day.

Activity room

- This versatile space could be used for a variety of activities, such as arts and crafts, clubs, or group projects.

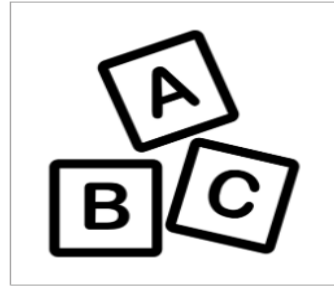

Welcome To Our Clubs

- Clubs in the schools allow the students to hone their talents. They also prepare them for competitions and develop their skills. For this, we offer 13 clubs and students can choose the club according to their interest. Various club activities are planned for the year. Students share their ideas and enjoy learning from each other during club periods.
